Step 3 → Click on Clinical Document Icon which is located on the right side.

The screenshot shows a patient portal interface. At the top, there are tabs: SUMMARY, 1. PROGRESS NOTE, COMM LOG, CONSENTS, FLAG, LAB REQUESTION, and SCREENING. Below these is a 'Attach Documents' section with 'Not Recording' and 'SUMMARY' status. A 'Print Only' button is visible. The main area is divided into several sections: PERSONAL (with patient info like NAME, DOB, GENDER, CELL NO., EMAIL, and NEXT APT), PATIENT STATUS (with a date and name), ALLERGIES, PCP, and MEDICATIONS. On the right sidebar, there are icons for various services, and the 'Clinical Document' icon is circled in red. Below the main sections, there are tables for PATIENT ALERTS, MEDICATIONS, and PROBLEM LIST.

Step 4 → Click on Summary of Care Records.

The screenshot shows the 'Health Documents' section for 'TEST A, ABCDA 12/12/2014 [M]'. It lists several document types: Summary of Care Records, Clinical Summary, and Visit Summary - Short (Set Categories to Print in Template). The 'Summary of Care Records' option is circled in red.

Step 5 → CCDA will be automatically selected and click on generate.

The screenshot shows the 'Summary of Care Records' section. It has a radio button for 'Referral Note' and a radio button for 'CCDA'. The 'CCDA' option is selected. Below the radio buttons is a 'Generate' button, which is circled in red. The section also includes a 'Clinical Summary' and a 'Visit Summary - Short (Set Categories to Print in Template)'.

Step 6 → Click on Zip icon to download.
